Chapter 5th Anniversary Celebration

Join your fellow ADK members on **Tuesday March 12, 7PM**, at the Chenango Town Hall for an evening of 5th anniversary celebration and a special, new presentation by **Writer, Photographer, Lecturer, and Naturalist Rick Marsi: "A Lifetime of Trails"**

From Rick: “I put it together especially for the ADK, given their love for hiking. However, I'm confident it will become one of my most popular programs. It chronicles a lifetime of trails for me. Some are through the woods, others down mountains, others on dirt roads, others on river trails, others on boardwalks through wetlands, etc. Life is a trail, and this program gives you a peek into my long and winding road through nature.”
A Message From Your Chapter Chair

Why I am involved in our local chapter and what you should do

I remember clearly when I heard a local ADK chapter was being founded. I had been a member at large and had much appreciated the work ADK did for the Adirondacks, Catskills, and other natural areas in our state. I long marveled that Binghamton did not have its own chapter when they existed in many smaller communities.

However, I was not sure how much time I would be willing to give to a local chapter. I was happy sending in my dues, and I really did not think I had time for group outings. Frankly, I relish hiking alone, I have a winter hiking buddy, a summer hiking buddy, and a wife and two young children.

Nonetheless, I found myself signing a petition of interest at an inaugural meeting, and volunteering to be treasurer. Reflecting back, I have made some new friends, some new hiking buddies, and feel pretty good to have given back some of what has been given to me.

My winter hiking buddy is still helping me pursue the winter Adirondack 46. Through chapter outings I have led, I have introduced a number of people to winter hiking in the Catskills. I even took a member to his very first snowshoe on a high peak in the Adirondacks.

A couple of buddies (and the Catskill 3500 Club) have helped me with various bushwhacks in the Catskills. I, in turn, have helped a couple of club members with their first bushwhacks in the Catskills. I am leading a formal outing on a Catskill bushwhack this April.

I am very pleased to have helped organize some pending presentations that I am looking forward to. Our summer picnics and holiday parties are always much fun. I made some new friends in this chapter - they are nice people.

Now I find myself volunteering to be chapter chair. I guess I am pleased with my having volunteered to the local chapter. So, I think you should be involved also. That doesn’t mean you have to come to a meeting. You are welcome to come, but I realize meetings are….well….they are meetings.

I do think you should meet me or some of the other people involved in your chapter. Join one of the outings. Outings are…..well they are just usually hiking, or camping. We expect some paddling this summer. They are just fun. Come to one of our presentations. We have had some enjoyable ones, and we have good ones scheduled.

Hope to meet you soon at one of our upcoming meetings or outings, Mark Epstein

Mark your calendars for these meetings and events!

**March** we will celebrate our 5th Anniversary as a Chapter. To celebrate we’ll have cake and refreshments and are bringing in a local legend: Writer, Photographer, Lecturer, and Naturalist Rick Marsi.

**April** brings renowned Author and Mountaineer, Carol Stone White. One interesting fact about Carol is she didn’t climb her first High Peak until she was almost 50.

**May** we will have fun loving, Author and Storyteller; Marty Podskoch. His subject, “CCC Camps in the Adirondacks”.

**June**: Finally just before we go into summer we’ll have our Third Annual Summer Picnic.

The following changes to Bylaws were approved at the December meeting:
1.) Article VII – CHAPTER FISCAL YEAR
   For accounting purposes, the Chapter fiscal year shall be January 1 to December 31. (This is a change to represent what we are actually doing and coincides with the Parent Club’s fiscal year)

2.) Article VIII – MEETINGS
   1. General Membership Meetings – The Chapter shall hold at least 2 (two) meetings of the general membership each year for the transaction of such business as shall come before it. One of these meetings shall be designated the Annual Meeting and shall be held in November. (Extra wording is removed. Annual meeting is changed from March to November to reflect the best time for elections to be held to comply with paperwork requested by the parent club.)

Chapter Equipment for Rent

Have you ever wanted to try a new outdoor activity but did not have the equipment you needed to try it? Specialized equipment can be expensive, so consider renting. **The Chapter has 4 pairs of Crampons and 2 pairs of Microspikes available for rent at a rate of $5 per week.** Crampons are necessary equipment for winter hikes in the Catskills and Adirondacks to traverse ice that is frequently found on trails. Microspikes are increasingly viewed as necessary equipment for late fall/early winter and early spring when snow or ice conditions make snowshoes and crampons poor tools of travel, yet bare booting becomes precarious. The Chapter Equipment / Rental policy is available on the Yahoo Group listerv and the web site. Contact Outings Chair Pat Connors at pat_connors_ny@yahoo.com to rent items or for more information.
From the Outings Chair

Haven’t been on a Binghamton ADK outing? We would love to see you. Check the schedule out….I hope there is something of interest for you. If you don’t see something you would like to do let us know. Picture yourself on one of these trips. We have Catskill hikes including a bushwhack. A nature hike led by Don Powell. There are two lean-to hikes on the Northville-Lake Placid Trail. You can choose between the two, or enjoy both on the same May weekend. These are hikes to perform basic spring maintenance. If you’re looking for an easier hike and/ or don’t want to stay overnight choose the Tirrell Pond Lean-to hike. If you’re looking for a more remote overnight backpack try Silver Lake Lean-to. Both are beautiful Adirondack spots with loons and all. For this summer we are planning a camping get together at the Cedar River Flow wilderness camping area (camping is free). This is a great area with hiking, paddling, and bicycling opportunities right from the camping area. Last but not least it is not too early to sign up for our chapters winter weekend 2014 at Grace Camp in the High Peaks area. There are only 6 spots which includes your hike trip leader, so don’t delay, contact Dave Martin if you’re interested.

Keep an eye on the yahoo group site for additions, updates and changes. Contact Leaders for additional information. As always outings are for your enjoyment so if you have an outing you are interested in let us know, or if you would like to find out more about becoming a trip leader, Contact Pat Connors, 607-625-4078, or Donna Coon 607-237-6311, coledonnarn@yahoo.com
